Maryland: Indicator 11

Percent of fully adjudicated due process hearing requests that were fully adjudicated within the applicable timeline.

Narrative Description of Indicator

There were no fully adjudicated Part C due process hearing requests during 2005-2006. One due process request was received and withdrawn by the parent before adjudication. A mediation session and hearing were scheduled within the timelines for this, but the parent withdrew the request before either was held. Documentation of the parent letter of withdrawal is in the file created by the Office of Administrative Hearings.
