Narrative Description of Indicator

No signed written Part C complaints were received during the reporting period, 7/1/07-6/30/08. No complaints were dismissed or withdrawn. No complaints are pending.

As described in the Part C SPP, the Complaint Investigation Branch within MSDE's Division of Special Education/Early Intervention Services has the responsibility for investigating Part C complaints with the consultation and assistance of State Part C staff. Systemic findings of noncompliance identified through complaint investigations are incorporated into the Part C monitoring process. Complaint findings are taken into consideration when decisions are made about the level of monitoring and degree of State technical assistance and intervention for individual LITPs.
