Maryland: Indicator 13

Percent of mediations held that resulted in mediation agreements.

Narrative Description of Indicator

During the reporting period, 4 requests for mediation were received. One mediation meeting was held. The mediation meeting did not result in the settlement of issue(s), and the family did not file a due process complaint request. The MSDE will continue to work with the Office of Administrative Hearings to ensure that Part B policies, procedures, and timelines are followed when parents file a request for due process under Part C of IDEA. The MSDE amended COMAR 13A.13.01.00 in July, 2009 for the Maryland Infants and Toddlers Program adopting the mediation and due process procedures in 34 CFR 300.506 through 300.512 and developing procedures that meet the requirements of Sec. 303.425. The Part B procedures were adopted by the MSDE on 10/5/2009.
